Dr. Madhujith Padinharakara

HEAD OF RADIOLOGY & SPECIALIST RADIOLOGY

CLINICAL EXPERTISE:

- X-Ray: head & neck, chest, abdomen & joints
- Ultrasound: abdomino-pelvic, obstetric, gynecological, breast & doppler
- Mammography, tomosynthesis, CEM & MRI breast
- CT (plain & post-contrast): chest, cardiac, musculoskeletal, abdominal, head & neck, brain & CT-angio
- MRI: abdomen, pelvic, breast & brain
- Musculoskeletal imaging

Dr. Mohamed Nabil Elhelbawy

SPECIALIST UROLOGY

CLINICAL EXPERTISE:

- Treatment of erectile dysfunction, premature ejaculation & infertility
- Male urinary incontinence management
- Laser lithotripsy for kidney stones
- Urological ultrasounds
- Hernial repairs
- Urethral strictures
- Suprapubic cystostomy tube insertion
- Prostatic biopsies
- Management of prostate disorders
- Operative procedures for urinary tract organs & genital issues

Dr. Shameer Hameed

SPECIALIST UROLOGY

CLINICAL EXPERTISE:

- Endo-urology
- Renal transplantation
- Inpatient acute urological management
- Male sexual dysfunction
- Male infertility
- Sexually transmitted disease
- Pediatric urology
- Female urology
- Benign hyperplasia of prostate
- Uro-oncology

Dr. Meera T. Antoa

SPECIALIST OBSTETRICS & GYNAECOLOGY

CLINICAL EXPERTISE:

- Comprehensive gynecological workup
- Normal deliveries
- Instrumental deliveries (forceps and ventouse)
- C-Sections
- Antenatal management
- High-risk patient management
- Postpartum sterilization
- Vaginal hysterectomies
- Hysteroscopy
- Laparoscopic ovarian cystectomy
- Diagnostic laparoscopy
- Endometrial sampling
- Dilation and evacuation

Dr. Pranjali Singh

SPECIALIST OBSTETRICS & GYNAECOLOGY

CLINICAL EXPERTISE:

- Polycystic Ovarian Syndrome (PCOS) - Medical management and laparoscopic drilling
- Abnormal Menstrual Bleeding
- Menopausal Symptoms & Hormone Replacement Therapies
- Recurrent Genital Tract & UTI Infections
- Adolescence Gynecology
- Investigation and Management of Infertility
- Contraception Services
- Screening for Gynecological Malignancies
- Cervical Screening (Pap Smear), Colposcopy, cervical Biopsy, Cryotherapy, LEEP
- Transabdominal & Transvaginal Gynecological Surgery

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Reena Riza De Guzman

SPECIALIST OBSTETRICS & GYNAECOLOGY

CLINICAL EXPERTISE:

- Family planning methods
- High-Risk Pregnancy Management
- Normal Deliveries
- Assisted Vaginal deliveries
- Caesarian Deliveries
- Gynecological Surgeries and Post-surgical Care

Dr. Deepak Dube

SPECIALIST INTERNAL MEDICINE

CLINICAL EXPERTISE:

- Diabetes & related complications
- Various infectious conditions; upper & lower respiratory, urinary, bloodstream infections & meningitis
- Illnesses like dengue, malaria, pneumonia & typhoid
- Thyroid & other hormonal issues
- Asthma & related complications
- Management of chronic obstructive pulmonary disease
- Cardiovascular conditions including palpitations, hypertension & chest pain
- Various gastrointestinal problems including stomach ulcers, bowel issues & chronic pain
- Kidney related conditions like stones & renal failure
- Rheumatic conditions like fibromyalgia & atrophy
- Neurological problems like Sciatica, headaches, migraines & dizziness etc

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Hesham Gad

HEAD OF DEPARTMENT
SPECIALIST INTERNAL MEDICINE

CLINICAL EXPERTISE:

- General consultations and health check ups
- Management of rheumatic disorders like osteoporosis, lupus and joint or muscle aches
- Diabetes management and treatment of complications
- Treatment for infections of respiratory, digestive & gastric, reproductive and urinary tracts
- Localized infections like cysts and abscesses
- Detection and management of various cancers
- Cardiovascular conditions including palpitations, low or high blood pressure and chest pain
- Treatment of acute illnesses such as malaria, dengue, pneumonia

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Kamran Afsharian

SPECIALIST NEONATOLOGY

CLINICAL EXPERTISE:

- Exchange transfusion
- Umbilical vessel catheterization
- PIC line insertions
- Managing critical neonates of all complexities
- Pediatrics & child health including emergency management

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Manish Tripathi

SPECIALIST NEPHROLOGY

CLINICAL EXPERTISE:

- Diabetic kidney disease
- Hypertensive nephropathy
- Medical management of renal stones
- Childhood and adult nephrotic and nephritic syndrome
- Management of lupus nephritis
- Management of acute kidney injury
- Conservative management of chronic kidney diseases
- Management of pre-renal transplant patients and post-renal transplant patients
- Hemodialysis
- Kidney biopsy

Dr. Cumhuri Kaan Yaltirik

SPECIALIST NEPHROLOGY

CLINICAL EXPERTISE:

- Cerebral aneurism treatment
- Epilepsy treatment
- Surgical correction of brain and spinal injuries
- Surgery for tumors in the brain and spine
- Degenerative disc disorders (Disc Herniations and Deformity)
- Endoscopic and minimally invasive brain surgeries
- Inter cranial pressure workup and treatment
- Nerve damage correction and management of nerve disorders

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Ehsan Yaghoubia

SPECIALIST NEUROLOGY

CLINICAL EXPERTISE:

- Headache, neuralgia and facial pain including Botox injection
- Stroke, epilepsy, Multiple sclerosis, Back pain and other spinal cord disorders
- Walking and balance disorders
- Vertigo, dizziness and fainting spells
- Weakness and numbness in any part of body
- Parkinson's disease, forgetfulness, memory impairment and dementias like Alzheimer's disease
- Immense hands-on experience in performing EMG-NCV, and analyzing MRI, CT scan and electroencephalography, movement disorder and dystonia

Dr. Medhat Faris

CONSULTANT MEDICAL ONCOLOGIST

CLINICAL EXPERTISE:

- Breast cancer
- Lung cancer
- Colorectal cancer
- Renal cell carcinoma
- Ovarian cancer
- Cervical cancer
- Uterine cancer
- Non Hodgkin's Lymphoma
- Hodgkin's lymphoma
- Prostate cancer
- Testicular cancer
- Head and neck cancer
- High-risk patients with breast cancer carrying BRCA1 and BRCA2 mutations

Dr. Mohammad Reza

SPECIALIST OPHTHALMOLOGY

CLINICAL EXPERTISE:

- Oculoplastic Eye Lid Surgery
- Lasik and phakic IOL (ICL)
- Phaco (modern cataract surgery) with variety of Intraocular lenses for distance and/or near vision, Glaucoma, Lasik, Strabismus, Retinal Lasers and Injections

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Ehab Shehata

CONSULTANT ORTHOPEDIC

CLINICAL EXPERTISE:

- Total joint arthroplasty surgery
- Complex fractures treatment
- Revision orthopedic and trauma surgeries
- MIS arthroscopic procedures of sports medicine
- Pediatric orthopedic consultation and procedures
- Local intra articular injection and infiltration
- Corrective osteotomies
- Revision and primary total knee and hip replacement
- Metabolic bone diseases
- Shoulder joint replacement
- Carpel tunnel syndrome surgeries
- Tendon repair
- Trigger finger surgery

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Mahesh Vidhani

SPECIALIST ORTHOPEDIC SURGEON

CLINICAL EXPERTISE:

- Robotic knee & hip arthroplasty (CAS)
- Orthopedic trauma management
- Management for non-traumatic bone, joint and tendon disorders
- Management for lumbar and dorsal spine conditions (trauma and degenerative)
- Hand surgery
- Pediatric orthopedics (CTEV and DDH, R. Polio)
- Knee arthroscopy
- Management of sport injuries

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Seejo George

SPECIALIST OTOLARYNGOLOGY

CLINICAL EXPERTISE:

- Rhinoplasty (Aesthetic & Functional)
- General Otolaryngology. (Adult & Paediatric)
- Correction of the deviated nasal septum (Septoplasty) and reduction of nasal turbinates (Turbinoplasty)
- Diagnosis & treatment of Sinusitis, Functional Endoscopic Sinus Surgery (FESS), Balloon Sinuplasty, Polypectomy

- Management of Allergic Rhinitis
- Management of Snoring & Obstructive Sleep Apnea (OSA)

Dr. Unnikrishnan Thahamarassery

SPECIALIST OTOLARYNGOLOGY

AREAS EXPERTISE:

- Management of sinusitis and nasal polyposis.
- Management of hearing loss and chronic ear discharge.
- Vertigo, tinnitus and headache evaluation.
- Coblation assisted tonsil, adenoid, pharyngeal surgeries.
- Head and neck tumors, management
- Management of voice disorders
- Management of ENT issues in children
- Management of blocked nose (septal, turbinate procedure)
- Management of nasal bleed.

Dr. Arun Shikaripur

SPECIALIST PEDIATRICS

CLINICAL EXPERTISE:

- Managing newborn babies; both stable & unstable
- Management of asthma & skin conditions
- Treatment & prevention of all pediatric illnesses
- Nutrition management for babies & children
- Care & management for allergies
- Emergency cases in pediatrics
- Lumbar puncture
- Liver biopsy
- Bone marrow aspiration & biopsy
- Ascitic tap & pleural tap

Dr. Mamata Bothra

SPECIALIST PEDIATRICS

CLINICAL EXPERTISE:

- Management of high-risk babies
- Management of normal births
- Emergency procedures post birth
- Postnatal care
- Oxygen therapy in neonatal intensive care
- Neonatal resuscitation
- Pediatric emergencies
- Vaccinations
- Pediatric asthma & allergy cases
- Pediatric infections

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Manoj Kumar

SPECIALIST PLASTIC SURGEON

CLINICAL EXPERTISE:

- Cosmetic surgery (Facial, Body, Breast, Hair Transplant)
- Reconstructive surgery (Cleft Lip & Palate, Hand Injuries, Breast Reconstruction)
- Microsurgery (Digital Replantation, Free Flap Reconstruction)
- Breast surgeries (Augmentation, Reduction, Reconstructions)
- Hand surgery (Traumatic Injuries, Tendon Repairs)
- Skin cancer management (Excisions, Flap Reconstructions)
- Aesthetic medicine (Botox, Fillers, Skin Rejuvenation)
- Burn Care
- General plastic surgery (Elective and Emergency Procedures)
- Robotic hair transplant (Single Automated FUE Extraction Robot Technique - SAFER)

Dr. Farinaz Aghajan Nashtaei

SPECIALIST PSYCHIATRY

CLINICAL EXPERTISE:

- Mental health assessment and diagnosis
- Psychiatric treatment and management for various mental illnesses
- Psychosomatic patient management
- Pediatric and adolescent psychiatry
- Crisis intervention and emergency psychiatric services

Dr. Muhammed Aslam

SPECIALIST PULMONOLOGY

CLINICAL EXPERTISE:

- Bronchoscopy
- Tube thoracotomy
- Asthma & allergy management
- Sleep study for snoring & sleep apnea
- Chronic obstructive pulmonary disease (COPD)
- Pneumonia sepsis
- Pulmonary hypertension
- Pleural effusion
- Ventilator management for respiratory failure
- Tuberculosis management

Dr. Tushar Kasatkar

SPECIALIST ANESTHESIA

CLINIC EXPERTISE:

- Anesthesia and ICU management for various surgical specialties
- Perioperative transesophageal echocardiography
- Critical care anesthesia
- Management of anesthesia in cardiac procedures
- Management of complex and high-risk surgical cases
- Administering intravenous sedation with dexmedetomidine and midazolam
- Monitoring and patient care throughout the surgical process
- Optimization and managing anesthesia for heart patients for non-cardiac surgeries

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Florence Fatima Bucsit

SPECIALIST ANESTHESIOLOGY

CLINIC EXPERTISE:

- Rendering general inhaled anesthesia
- Total intravenous anesthesia
- Regional anesthesia
- Epidural anesthesia and spinal anesthesia
- Airway management in ENT surgeries
- Pediatric and neonate anesthetic procedures
- Administration of anesthesia in bariatric, spinal, orthopedic, gynecological and obstetric surgeries

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Neeraj Verma

SPECIALIST ANESTHESIA

CLINIC EXPERTISE:

- Difficult airway management including fiber optic intubation and video laryngoscopes
- Neuraxial and USG guided peripheral nerve blocks
- Labour Analgesia
- Invasive lines and difficult iv cannulation

Dr. Tausif Attar

SPECIALIST ANESTHESIA

CLINIC EXPERTISE:

- Independently administer anesthesia to patients of various specialties surgeries
- Basic Life Support & Advanced Cardiac Life Support
- Venipuncture & central venous cannulation, peripheral artery cannulation in adults & children
- Central neuroaxial blocks
- Peripheral nerve blocks
- Ultrasound guided nerve blocks
- Endotracheal & nasotracheal intubations and LMA insertion (adult, children & infants)
- Management of difficult airway and labor analgesia
- Ventilatory management of postoperative & critically ill patients in Intensive Care Unit
- Transportation of critically ill patients
- Administer anesthesia for MRI, CT scan & electroconvulsive therapy
- Management of Covid-19 patients in the Intensive Care Unit

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Vismaya Arabaghatta

SPECIALIST ANESTHESIA

CLINIC EXPERTISE:

- Independently administer anesthesia to patients of various specialty surgeries
- Central neuroaxial blocks
- Peripheral nerve blocks
- PNS guided and USG guided regional nerve blocks
- ICU/CCU patient management
- Basic life support & advanced cardiac life support (BLS & ACLS)
- Pediatric advanced life support (PALS)
- Endotracheal & nasotracheal intubations and LMA insertion (Adult, Pediatric & Neonatal)
- Management of difficult airways and labor analgesia
- Ventilatory management of postoperative & critically ill patients in intensive care unit
- Transportation of critically ill patients
- Administer anesthesia for MRI, CT scan & electroconvulsive therapy
- Management of covid-19 patients in the intensive care unit

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Mamdouh Mohamed

CONSULTANT ANESTHESIA

CLINIC EXPERTISE:

- Preoperative assessment
- Pain management
- Airway management
- Emergency response
- Comprehensive ICU management
- Postoperative care
- Intraoperative monitoring

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Wael Richane

SPECIALIST CARDIOVASCULAR SURGERY

CLINIC EXPERTISE:

- Coronary artery bypass grafting (CABG) surgeries
- Valve repair and replacement procedures
- Congenital heart surgeries in pediatrics (under one year of age)
- Thoracic surgeries for lung, chest, and esophageal disorders
- Minimally invasive cardiac surgeries
- Percutaneous coronary interventions (angioplasty and stenting)
- Ablation procedures for arrhythmias
- Treatment of congenital heart defects in adults
- Surgical management of atrial fibrillation
- Carotid endarterectomy for carotid artery disease
- Surgical repair of aortic and mitral valve disorders
- Treatment of varicose veins and venous diseases
- Management of pulmonary embolism and deep vein thrombosis (DVT)
- Diagnosis and treatment of aortic aneurysms
- Management of peripheral artery disease (PAD)

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Upendra Shah

SPECIALIST INTERVENTIONAL CARDIOLOGIST

CLINICAL EXPERTISE:

- Simple coronary angioplasties
- Complex angioplasties
- Multi vessel angioplasties
- Coronary angiography
- Stent installation
- Chest pain management
- Heart attack management
- Heart failure management
- Rhythmic disorders of the heart
- Management for palpitations

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Saad Abbas El Abbasy

SPECIALIST CRITICAL CARE MEDICINE

CLINICAL EXPERTISE:

- Complicated Critical care conditions such as shock, serious infections and multiple organ failure
- Patients in need for mechanical ventilator, airway management and respiratory support
- Multi trauma patient and toxicological emergencies
- Cardiopulmonary resuscitation, central venous & arterial lines

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Rajiv Singla

SPECIALIST DERMATOLOGY

CLINIC EXPERTISE:

- Mesotherapy for Facial Rejuvenation, Hair loss and Acne Scars
- Chemical Peels
- Intralesional Therapeutic Injections (Keloid, Alopecia Areata & Recurrent Warts)
- Platelet rich Plasma (PRP) for Hair loss, Facial Rejuvenation and Acne Scars
- Radiofrequency Micro-needling for Skin Tightening, Wrinkles and Acne Scars
- Minor Dermatological Procedures (Cryotherapy & Electrocautery for Warts, Corns and other benign lesion)

Ms. Swapna Mary John

CLINICAL DIETITIAN

CLINICAL EXPERTISE:

- Assess patients and advising on medical nutrition therapy for different medical conditions such as diabetes, cardiovascular disease, obesity, kidney failure, eating disorder, cancer, post surgery, gastrointestinal disorders, bariatric surgeries, Food allergy, Food intolerance
- Advising on diet management during Pregnancy and lactation
- Advising on adopting healthier life style changes for better health and well being
- Monitor nutritional requirement of outpatients and in patients through standard care and practice
- Review the impact of nutrient and dietary therapies

INTERNATIONAL MODERN HOSPITAL

Dr. Inês Isabel Ferreira Barros

SPECIALIST ENDOCRINOLOGY

CLINICAL EXPERTISE:

- Thyroid diseases
- Diabetes care and prevention
- Adrenal disorders
- Pituitary disorders
- Obesity surgery and medical treatment
- Parathyroid, Calcium-related disorders, Vitamin D deficiency & Osteoporosis
- Gonadal disorders and medical assisted reproduction techniques
- Endocrine disease in children and pregnancy

Dr. Thomas Varghese

SPECIALIST ENDODONTICS

CLINICAL EXPERTISE:

- Veneers/crowns accomplished in a single sitting using CEREC CAD/CAM
- Painless Endodontics (Root Canal Treatment)
- Painless Anesthesia
- Cosmetic anterior and posterior composite fillings
- Laser application in Aesthetic Dentistry
- Removable and Fixed Dentures
- Teeth whitening

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Renuka Ramasamy

SPECIALIST FAMILY MEDICINE

CLINICAL EXPERTISE:

- Comprehensive primary healthcare for all age groups
- Routine check-ups and preventive screenings
- Diagnosis and treatment of acute illnesses like cold, flu, infections
- Management of chronic conditions like diabetes, hypertension, asthma
- Vaccinations and immunizations
- Women's health services like Pap smears, family planning
- Pediatric care, including growth and development monitoring
- Geriatric care and age-related health assessments
- Mental health support and counseling
- Minor surgical procedures like suturing, mole removal
- Management of musculoskeletal issues and injuries
- Health education and lifestyle counseling
- Coordination of care with specialists and other healthcare providers

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Irfan Ali Shera

SPECIALIST GASTROENTEROLOGY

CLINICAL EXPERTISE:

- All basic gastrointestinal diagnostic and therapeutic procedures like ERCP, EUS, Liver Biopsies
- Diagnostic upper gastrointestinal endoscopies & biopsies
- Endoscopic variceal ligation (EVL)
- Glue endotherapy for gastric varices
- Percutaneous endoscopic gastrostomy tube placement
- Esophageal stenting and dilatations
- Colonoscopies
- Polypectomy
- Endoscopic sleeve gastrectomy
- Management alcoholic liver disease
- Management for hepatitis B and C
- Management for nonalcoholic steatohepatitis

المستشفى الدولي الحديث
INTERNATIONAL MODERN HOSPITAL

Dr. Anwar Kamel Oraby

CONSULTANT GENERAL SURGERY

CLINICAL EXPERTISE:

- General & Laparoscopic Surgery
- Bariatric Surgery – Gastric Sleeve, Mini Gastric Bypass, Redo Surgery
- Breast Surgery- Benign and Malignant disease, early detection of Breast Cancer
- Endocrine Surgery- Thyroid, Parathyroid and Pancreatic Surgery
- Gastrointestinal Surgery- Hepatobiliary, Stomach, Colon
- Anal Surgery- especially by laser
- Head and Neck surgery
- All types of Hernia repair (Laparoscopic and Open)

المستشفى الدولي الحديث
